MEMBER SPOTLIGHT

We have a member who outshines the brightest! Cheryl Urbanczyk really helps the Knox City Elementary. She is one of our Kindergarten teachers. She also manages the Box Top for Education program for our school.

Our elementary students and their families save box tops off of food items throughout the year. Cheryl hands out a sheet to glue them onto about once a six weeks or more if needed. The teachers turn them into her so she can count and send in. We get money for each one our school submits.

There is always some sort of incentive for the kid as well. We all know kids will do ANYTHING for SOMETHING. (Well, I think elementary teachers know that best) She has several incentives throughout the year. It may be pizza, popcorn, or even a Popsicle day. No matter what it is, the kids love to get out of class! The kids also love knowing they are helping our school which is the most important part.

I am proud to announce that Cheryl and her Box Top Program for Education brought in \$1,129.20 this past school year for our little elementary. Cheryl, way to shine!
